

III. After you read-Answer using complete sentences.

A. What are three possible methods that the Europeans could use to get the resources that they want from Africa? Next to each method, write a "+" if the method is peaceful or positive or write a "-" if the method is violent or negative.

1. _____
2. _____
3. _____

B. Imagine you are a European in favor of colonizing Africa. It is your job to persuade your fellow countrymen of the importance of colonizing Africa and to recommend the method you believe most likely to be successful in getting the resources you need. Be sure to include details from the text and lesson to support your argument.

Dear Country Men,

Sincerely,
